Pandora's Box

[Garis & Hahn](#)

July 30 - September 9

This exhibition features photography works by New York-based British artist Petros Chrisostomou, who will present these new works for the first time at Garis & Hahn. Chrisostomou uses found objects from his Brooklyn neighborhood to create illusionary images that blur the line between fact and fiction. Like Pandora's Box, each image on view is a surprise - you

never know what you'll encounter on view!
